LeadingAge Wyoming Spring Meeting May 7-8, 2024 Holiday Inn Cody, Wyoming

LeadingAge Wyoming will be holding our annual Spring Meeting on May 7-8, 2024 at the Holiday Inn, Cody, Wyoming.

You won't want to miss this year's Keynote:

Jonathan Bowman – The Fine Art of People Power

Would you like to be inspired? Would you like to show how you can lead each other to success? Would you like the members of your group to have a better appreciation for each other? If so, then you have to experience Jonathan's presentation titled, "The Fine Art of People Power." People Power refers to the power that everyone has to influence others positively. In order to showcase People Power, Jonathan shares stories of his journey from living in public housing projects and homeless shelters as a child to becoming an attorney and Section Chief at a State Attorney General's Office. Yet, Jonathan will be the first to tell you that his achievements were not made alone. They were made possible by family, friends and colleagues who served as a positive influence in his life, especially during the most challenging times. In other words, People Power allowed Jonathan to emerge from his life of poverty and homelessness. People Power had a powerful impact on his life. And it can have a huge impact on yours. People Power can inspire you. It can guide you through great difficulties. It can lead you to high achievement and unparalleled success.
